SINGERS...

Take advantage of this opportunity to learn how to ornament your Handel aria.

We'll start with the historical treatises, and end with a personalized rendition of your Handel aria.

Learn how to extemporize and improvise cadenzas & ornaments on your feet.

How to prepare? Just bring **ONE HANDEL ARIA** (opera or oratorio, any language) memorized, no worries about ornamentation...we'll do that in the session. Please bring two copies, thanks!

HAVE NO FEAR. It's fun.

Come to one session only, or attend them all.
